SUMMARY

Full Stack Developer with a background in the medical field. Life-long learner. Dedicated to help, inspire, and care for others. Known among colleges for strong communication, hard work, organization, and an easy-going persona. Enjoy creating user-friendly applications with a combination of creativity, and problem solving the most complex projects.

TECHNICAL SKILLS

Technical Languages: *HTML5, CSS, JavaScript, JQuery, BootStrap, Node.js, Express, Inquirer, OOP, MySQL, MongoDB, Handlebars.js, ReactJS*
Applications: *Professional Portfolio, Weather Application, Note Taking Application*

PROJECTS

Weather Dashboard | https://github.com/vitafomin/challenge-6-weather-dashboard|
https://vitafomin.github.io/challenge-6-weather-dashboard/
- *This is a weather dashboard application. It uses the weather api to display the current weather and the weather for the next 5 days. Users are able to search for any city and get the weather report.*
- *In this application I was tasked to create a functioning front end application from start to finish.*
- *HTML, CSS, JavaScript*

RoamReady |https://github.com/vitafomin/Roam-Ready|
https://limitless-badlands-70129.herokuapp.com/
- *Short summary of project (1-2 lines)*
- *Roam Ready is a travel social site application. It allows users to view itineraries of places other people have traveled to, and are able to create itineraries for places they travel to. They are able to share their itineraries with others.*
- *In this application I was tasked to write code for the majority of the back-end, and assist creating the front-end.*
- *JavaScript, CSS, express, express-session, express-handlebars/handlebars.js, node.js, bcrypt, mySQL, sequelize, connect-session-sequelize, dotenv, js-datepicker*

EXPERIENCE

Personal Caregiver - Employee 2019 – 2021
Care Plus Agency, INC Aurora, CO
Add a brief description here of your responsibilities; utilize transferable skills (e.g. communication, critical thinking) to correlate with the role of interest. Use present tense verbs for current roles and past tense verbs for previous roles to begin sentences (be consistent with verb tense for each role).
Key Accomplishments:
- *If applicable, bullet-point 2-4 highlighted accomplishments or recognitions. i.e., awards, nominations, special assignments, leadership, praise, etc.*
- *Where possible incorporate quantifiable details ($, %, time, team size).*

Financial Service Representative - Employee 2018 – 2019
Young Americans Bank Denver, CO
Add a brief description here of your responsibilities; utilize transferable skills (e.g. communication, critical thinking) to correlate with the role of interest. Use present tense verbs for current roles and past tense verbs for previous roles to begin sentences (be consistent with verb tense for each role).

Key Accomplishments:

Patient Care Technician - Employee   2018 – 2019
Presbyterian St. Luke's Medical Center   Denver, CO
Add a brief description here of your responsibilities; utilize transferable skills (e.g. communication, critical thinking) to correlate with the role of interest. Use present tense verbs for current roles and past tense verbs for previous roles to begin sentences (be consistent with verb tense for each role).
Key Accomplishments:
- *Always volunteered to pick up multiple extra 12 hour shifts during critical times to help my team continue to provide the best possible care.*

Store Manager - Volunteer   2016 – 2018
Pudge Brothers Pizza   Denver, CO
Add a brief description here of your responsibilities; utilize transferable skills (e.g. communication, critical thinking) to correlate with the role of interest.
